Products & Services

Item & Description	Unit Price	Number of days worked	Total
--------------------	------------	-----------------------	-------

Conversation Setup & Flows	\$500.00	2	\$1,000.00
----------------------------	----------	---	------------

We will design and configure the core WhatsApp conversation flow covering welcome message, customer consent, OTP verification, basic quote journey, and payment initiation. This ensures the MVP supports the end-to-end pilot experience for up to 1,000 customers.

Item & Description	Unit Price	Number of days worked	Total
Policy Admin / CRM Integration We will connect the WhatsApp journey to Hamilton's internal ERP for policy creation, ensuring customer and policy data (name, ID, contact, vehicle details, cover type) is stored in the CRM. This step guarantees all pilot customers are recorded seamlessly into existing systems.	\$500.00	3	\$1,500.00
Payment Integration	\$500.00	2	\$1,000.00
KYC / Identity Verification Setup of a simple KYC step for national ID and driver's licence uploads. Includes basic validation logic and fallback to manual review for edge cases. This ensures regulatory compliance for the pilot.	\$500.00	1.5	\$750.00
Testing & Pilot Support Internal testing (UAT) with both FCB and Hamilton stakeholders, followed by fine-tuning for the pilot launch. Covers up to 1,000 customers in Q4 2025.	\$500.00	3	\$1,500.00
Project Management & Oversight End-to-end coordination, including a kick-off workshop, weekly check-ins, and a wrap-up session at pilot close. This guarantees alignment and smooth delivery across teams.	\$500.00	2	\$1,000.00
Day rate Additional work billed at \$500/day with prior approval.	\$500.00	0	\$0.00

Item & Description	Unit Price	Number of days worked	Total
Infrastructure & Hosting Cloud Hosting & Security Our infrastructure is hosted on AWS, ensuring scalability, reliability, and automatic backups. We also integrate security and audit logging tools to maintain compliance and safeguard data. Estimation & Conditions The estimated cost is based on traffic of up to 5,000 users per month. This cost may vary depending on actual configuration, usage and growth over time.	\$400.00 / month	1	\$400.00 / month
Third-Party Services WhatsApp Fees: Monthly run costs, to be determined based on the final setup and the number of active templates. KYC Vendor Costs: Charges for national ID and driver's licence validation, to be confirmed. Token Costs: Pricing will be defined once the required AI model is selected to deliver the desired customer experience.	\$0.00 / month	1	\$0.00 / month
Monthly Licence Service 👉 Regular monitoring of solution performance and KPIs 👉 Ongoing optimisation of flows, responses, and journeys (up to 2 days per month) 👉 Monthly reporting and recommendations 👉 Coordination of roadmap updates and new feature rollouts 👉 Dedicated client communication and support (email / calls / workshops) 👉 SLA (to be finalised with MSA)	\$750.00 / month	1	\$750.00 / month
Monthly subtotal			\$1,150.00
One-time subtotal			\$6,750.00
Total			\$7,900.00

Purchase terms

- **Duration:** This agreement shall remain in effect for a period of twelve (12) months from the effective date.
- **Master Service Agreement (MSA):** An MSA will be provided for your review and signature during the onboarding process. By signing this quote, you acknowledge that you have been notified of the MSA and agree to its terms and conditions.
- **Payment Terms:**
 - The setup cost is payable upfront.
 - The monthly technology fee shall be invoiced and payable starting one (1) month after receipt of the development cost.
 - All invoices are due within thirty (30) days of the invoice date unless otherwise agreed in writing.
 - Renewal: Unless either party provides written notice of non-renewal at least sixty (60) days prior to the end of the initial term, this agreement will automatically renew for successive twelve (12) month terms.
- **Termination:** Either party may terminate this agreement by providing ninety (90) days' written notice.
- **Pricing Adjustments:**
 - Pricing is based on current scope and assumptions and may evolve following integration work or changes in requirements.
 - A per-day work rate will be confirmed and applied where additional development or integration work is required.
- **Confidentiality:** Both parties agree to maintain confidentiality of all proprietary or sensitive information exchanged under this agreement.
- **Liability:** FCB.ai's liability shall be limited to direct damages only and capped at thirty percent (30%) of the total fees paid by the client under this agreement.
